

ALL-TIME AP FINAL POLLS POINTS

The Associated Press College Football Poll began in 1936. From 1936 thru 1964, the National Champions was determined prior to the bowl games. In 1965 the AP experimented by releasing a post bowl poll and in 1968 the Associated Press began the process of waiting until all of the bowl games have been played and voting for the national champion. Over the next 5 pages we list where every team finished each season if they were fortunate enough to be ranked in the final poll. We have assigned a point system based on where a team finished. For example, if a team finished #1, they were awarded 25 points. The #2 team received 24 points, #3 received 23 points, #4 received 22 points, and so on.
