FOOTBALL 365 DAYS A YEAR**

The AP Top Ten for 2026, Six Months in Advance. 95% over 16 years!

Spring football has already begun for some teams and every year in late February; I put out my Projected AP Top 10 basically six months ahead of the AP Top Ten release!

It is important to make the point that this is **NOT MY** preseason Top 10 for next season, rather what I am projecting the **Preseason AP Top 10** will look like to start the season.

My predicted Preseason AP Top 10 has been a **PERFECT** 10 for 10 in NINE of the 17 years that I have put it out! When I predict the AP Top 10 in February (about a HALF YEAR ahead of the actual AP poll), I have now hit on 162 out of 170 over the last 17 years! That means hitting all 10 teams in nine of the seventeen years and missing by just one team in the other eight years. **Once again, predicting the top ten teams in the AP poll SIX MONTHS in advance, the record is now 162 out of 170 or 95.2%!**

2024 was one of those years where I missed by one. I had the top 9 teams correct. For #10 I went with Missouri. The Tigers had a lot coming back and a very manageable schedule. The Tigers just missed the top 10 coming in at #11 in the AP Poll. The AP voters went with Florida State at #10 and the Seminoles did not live up to that lofty ranking going just 2-10 on the year. Missouri won their bowl game and finished 10-3. My #10 team would have worked better.

Last year I originally was going to go with Tennessee in the top 10 but then QB Nico Iamaleva left the team, so I plugged Miami into the #10 spot and when the AP poll came out in August (6 months later) it was 10 or 10!!

Today there are exactly 92 days until the magazine goes to press! This year with the addition of North Dakota St and Sacramento St the magazine increases to 368 pages. The first edition was just 192 pages and this year's has two full pages on all 138 FBS teams.

This week I am starting the second write through process for each team. We have been working full tilt on the magazine since the end of November and are only half-way thru the exhaustive process. The second write thru process lasts about a month and a half. Once spring practices have ended, the third write through process begins which involves me talking to 125+ coaches spending about an hour with each going over their teams with them. Last year we sent the last page to the press on June 6th and started putting the VIP's magazines in the mail on June 11th, the fastest turnaround ever!

I know many of you order the magazine in advance so that you can be the FIRST in the country to receive one. **When you sign up for the VIP deal you will receive your magazine well before it hits Barnes and Nobles on July 4th.**

The VIP digital bonus was even better than expected last year as **all VIP members had access to the magazine two days after we sent it to the press and were reading it for a full week before it was even printed** (3 weeks before it hit the newsstand). Also, we did not open access to the digital magazine to anyone but VIP members for a full week after that! All VIP members had two full weeks of EXCLUSIVE ACCESS to the digital version!

The VIP DEAL gets you the **1st FOUR free issues of my Inside the Pressbox Newsletter** which sells for \$20 per issue. The newsletter gives you my personal analysis of every game for the weekend and supplies you with my computer's forecast for each game projecting each team's rush yards, pass yards and points. It comes with 4 Free College Issues, but you can call the office and change that to 2 Free College and two Free NFL if you like. **In 2024 the four free issues went 16-9 on the Best Bets!**

The VIP DEAL also will get you my 2026 Phil Steele FCS magazine (digital only) FREE and this is a \$25 value! Last year there were 118 games between FCS and FBS teams and you can become an instant expert on all 126 FCS teams getting the magazine in much the same format as the FBS magazine. **You get the same TWO FULL PAGES on every FCS team!!** Keep in mind most states have legalized gambling, and they post numbers on FCS vs FCS games, and you will have remarkable line value on these games being an expert while many folks know very little about the FCS teams.

This year I have added a SUPER VIP deal. The price is just \$30 more or basically the cost of one magazine mailed to you. In the SUPER VIP you get TWO magazines and access to Phil Steele Plus (\$99) for a FULL year thru the Super Bowl! If you are thinking of subscribing to Phil Steele Plus again for 2026, just get the SUPER VIP deal and save \$30 plus get two magazines and all the other bonuses. I may stop this offer soon. **To get the SUPER VIP membership CLICK HERE.** This includes daily access to the Schedule Predictor which give you hundreds of Best Bets during the year and breaks down EVERY FBS game in 15 different categories.

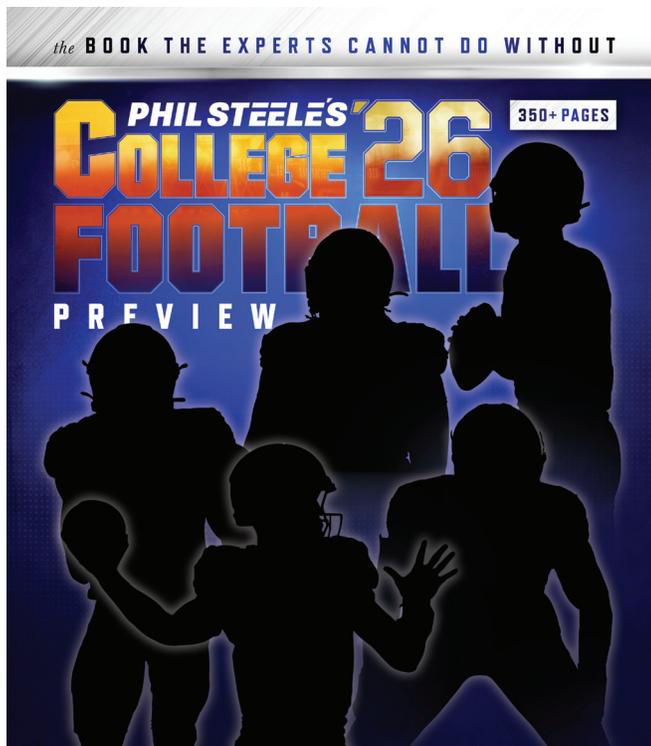

You can also order by calling 1-866-918-7711.

This year the price of the 2026 Phil Steele College Football preview (368 pages), the VIP and Super VIP will be going up on March 1st, but you can beat the price increase by signing up in these final few days of FEBRUARY!

Here are the ten teams I feel will be in the 2026 AP Preseason Top Ten and over the last seventeen years 162 of my 170 (95.2%) Projected top ten teams in February made the actual top ten, so as I said earlier, I seem to have a pretty good feel for how the voters will rank these teams come August.
